### About This Game

**Omae Wa Mou Shindeiru** - The game requires you not to allow evil spirits to get to you. Kill him quickly and ruthlessly.

Is a game in which you need to press the corresponding buttons on the keyboard (arrows) at a certain moment to damage the enemy! If the enemy has reached you, then you have a little more time until the enemy has dealt you four blows with the sword. When the enemy has health at 0%, then our protagonist will say "Omae Wa Mou Shindeiru", this means "You're already dead" and after that our opponent asks "NANI ???", this translates to "What???". After these two replicas, our main character begins to shine very brightly and after that the enemy's head explodes into small pieces.

#### Key features:

- Good graphics design
- Unusual death of the enemy
- 8 levels (each level is harder and harder)
  - 13 achievements.
- Suitable for achievement hunters.
